Dear Shareholder,

2022 Annual General Meeting of Achilles Therapeutics plc (the “AGM” or “Meeting”)

We are pleased to provide details of the AGM of Achilles Therapeutics plc (the “Company”) to be held as a physical meeting at **17:00 UK time (12:00 Eastern Time) on Tuesday 28 June 2022 at 245 Hammersmith Road, London W6 8PW, United Kingdom**. The formal notice of AGM set out in this document (the “**Notice of AGM**”) at pages 11 to 14 contains the shareholder resolutions to be proposed and voted on at the AGM.

Shareholder engagement

We appreciate that the AGM is your opportunity to receive an update on the Company and ask questions of the board of directors (the “**Board**”). To support engagement with our shareholders, it is our intention to live stream the Meeting by webcast and to enable questions relating to the AGM resolutions to be submitted in advance of the Meeting.

The webcasting arrangements will allow shareholders to hear from the Company and follow the business of the AGM on their computer, tablet or smart phone from their location of choice, although this will not constitute formal attendance at the Meeting. Further details on how to access the webcast are set out on page 13 of this Notice of AGM.

The proposed running order of the Meeting is set out below (all times UK time):

17:00 – 17:10	Welcome and open Meeting
17:10 – 17:40	Presentation by the Chairman of the Board
17:40 – 18:00	Q&A
18:00	Close of Meeting

Shareholder questions

Shareholders are invited to submit their questions in advance by sending an email to shares@achillestx.com with ‘AGM question’ in the title line by 17:00 UK time (12:00 Eastern Time) on 21 June 2022.

We would like to respond to as many shareholders’ questions as possible and therefore we will answer questions during the Meeting in a way that aims to best recognise the interests of all shareholders. To assist with this, we ask that you help us to facilitate access from as many shareholders as possible by limiting the number of questions and keeping your questions succinct, focused on and relevant to the business of the Meeting. In the interests of transparency for all shareholders, responses to questions not able to be addressed during the Meeting will be available on our website as soon as practicable following the AGM.

Voting – Ordinary Shares

We are holding our AGM as a physical meeting and are therefore unable to offer shareholders online voting facilities during the AGM. It is important that shareholders do still cast their votes in respect of the business of the AGM. We strongly encourage all shareholders to complete and return a proxy form appointing the Chairman of the Meeting, as proxy. Further information on how to appoint a proxy is detailed on pages 12 and 13 of this Notice of AGM. In order to allow the voting preferences of all shareholders to be taken into account, a poll will be conducted on all resolutions proposed in this Notice of AGM. The results of the voting will be posted on the Company’s website as soon as practicable after the Meeting.

Action to be taken

Ordinary Shareholders

If you are a holder of ordinary shares in the Company, please vote on the resolutions by appointing a proxy in accordance with the instructions set out at pages 12 and 13 of this Notice of AGM. A form of proxy for use by ordinary shareholders at the AGM is enclosed.

You are strongly encouraged to appoint the Chairman of the AGM as your proxy.

You are advised to complete and return the form of proxy in accordance with the instructions printed on it so as to arrive at the Company's registered office (245 Hammersmith Road, London W6 8PW) marked for the attention of the Company Secretary as soon as possible, but in any event **no later than 17:00 (UK time) (12:00 Eastern Time) on 24 June 2022**. If at any point you require guidance, please contact Daniel Hood, our Company Secretary, by telephone at +44 (0) 204 534 1996 or shares@achillestx.com.

Class A Non-voting Ordinary Shareholders

As per the Company's Articles of Association you are receiving this notice for information but do not have any right to cast a vote on the matters to be considered at the Meeting. You are entitled to submit questions to the Company in accordance with the instructions set out above.

Recommendation

You will find on pages 5 to 8 of this document an explanatory note in relation to each of the various resolutions which are set out in the Notice of AGM. Your Board consider that the proposed resolutions in the Notice of AGM are in the best interests of the Company and its shareholders as a whole and are most likely to promote the success of the Company. She is also on the Board of Ireland's National Institute for Bioprocessing Research & Training (NIBRT) and serves as the Chairperson of the Strategic Advisory Board at the School of Pharmacy, Trinity College Dublin.

The Board of Directors recommend a vote for the approval of Resolutions 1 to 6.

Resolutions 7 and 8: Appointment of auditors and determination of auditors' remuneration

At each general meeting at which the accounts are laid before shareholders, the Company is required to appoint auditors to serve until the next such general meeting. KPMG LLP has indicated its willingness to continue to act as the Company's auditors. Accordingly, Resolution 7 is an ordinary resolution to re-appoint KPMG LLP, an English registered limited liability partnership, as the Company's statutory auditor in the UK to serve until the next AGM of the Company.

Resolution 8 is an ordinary resolution giving the Company's Audit Committee authority to determine the auditors' remuneration for the fiscal year ending 31 December 2022.

The Board of Directors recommend a vote for the approval of Resolutions 7 and 8.

Resolution 9: Receipt of the reports and accounts

The Companies Act 2006 (the "CA 2006") requires the directors of a public company to lay, in respect of each financial year, copies of the directors' reports, the independent auditors' report and the audited financial statements of the Company before the Company's shareholders. Each report and the audited financial statements of the Company are contained in the 2021 Annual Report. In accordance with best practice, the Company proposes an ordinary resolution to receive the 2021 Annual Report.

The 2021 Annual Report may be found in the "Events & Presentations" section of the Company website at: <https://ir.achillestx.com/events/event-details/ACHLAGM2022>.

The Board of Directors recommend a vote for the approval of Resolution 9.

Resolution 10: Directors' Remuneration Policy

In accordance with the requirements of the CA 2006, as a UK resident company listed on Nasdaq, the Company is required to establish a Directors' Remuneration Policy containing a framework of limits within which the Remuneration Committee of the Board is authorised by shareholders to operate. This policy must be approved by an ordinary resolution of the shareholders at the first general meeting of the Company at which the Company lays copies of the directors' reports, the independent auditors' report and the audited financial statements of the Company before the Company's shareholders and every three years thereafter.

Given that the forthcoming AGM is the first at which the Company is required to lay the Directors' Remuneration Policy before the shareholders, the Company is seeking shareholder approval in respect of the proposed Directors' Remuneration Policy, which sets out the Company's forward-looking policy on Directors' remuneration.

Further details of the proposed Directors' Remuneration Policy are set out on pages 15 to 24 of the 2021 Annual Report.

The Board of Directors recommend a vote for the approval of Resolution 10.

Resolution 11: UK statutory directors' annual report on remuneration

The CA 2006 requires that the annual report on directors' remuneration, contained within the 2021 Annual Report, be subject to an annual advisory, non-binding vote so that shareholders may indicate, by voting on an ordinary resolution, their approval of the remuneration of the Company's directors in the relevant financial year, as well as how the Company's remuneration policy will be applied in the following financial year.

The full text of the Company's remuneration report is set out at pages 24 to 32 of the 2021 Annual Report and sets out the Company's policy towards, and gives details of, Directors' remuneration and other relevant information.

This vote is advisory and non-binding. Although non-binding, our Board, and the Remuneration Committee of the Board, will review and consider the voting results when making future decisions regarding our director remuneration program and the application of our Directors' Remuneration Policy. Following the upcoming AGM, and as required by the CA 2006, the directors' annual report on remuneration will be delivered to the UK Registrar of Companies.

The Board of Directors recommend a vote for the approval, on a non-binding, advisory basis, of Resolution 11.

Information rights

Under the CA 2006 Act, there are a number of rights that may be available to indirect investors of the Company, including the right to be nominated by the registered holder to receive general shareholder communications directly from the Company.

The rights of indirect investors who have been nominated to receive communications from the Company in accordance with section 146 CA 2006 (“**nominated persons**”) do not include the right to appoint a proxy. However, nominated persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

If you have been so nominated to receive general shareholder communications directly from the Company, it is important to remember that your main contact in terms of your investment remains with the registered shareholder or custodian or broker, or whoever administers the investment on your behalf. You should also deal with them in relation to any rights that you may have under agreements with them to be appointed as a proxy and to attend, participate in, and vote at the meeting, as described above.

Any changes or queries relating to your personal details and holding (including any administration thereof) must continue to be directed to your existing contact at your investment manager or custodian. The Company cannot guarantee dealing with matters that are directed to us in error. The only exception to this is where the Company is exercising one of its powers under the CA 2006 and writes to you directly for a response.

Shareholder requisition rights

Members satisfying the thresholds in section 338 CA 2006 can require the Company:

Notice of Meeting - Further Notes

1. The Company, pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001 (as amended), specifies that only those members registered in the Company's Register of Members of the Company at 17:00 (UK time) on 24 June 2022 (or if the Meeting is adjourned, members entered on the Register of Members of the Company not later than 17:00 (UK time) on the date which is two working days before the date of the adjourned Meeting) shall be entitled to attend, speak and vote at the AGM in respect of the number of ordinary shares registered in their name at that time. Changes to entries on the Register of Members of the Company after this time shall be disregarded in determining the rights of any person to attend, speak or vote at the Meeting.
2. A member entitled to attend, speak and vote at the Meeting is entitled to appoint a proxy to exercise all or any of his/her rights to attend, speak and to vote instead of him/her. A proxy need not be a member of the Company but must attend the Meeting in person. If a member wishes his/her proxy to speak on his/her behalf at the Meeting he/she will need to appoint his/her own choice of proxy (not the Chairman) and give his/her instructions directly to them. Completion and return of a form of proxy will not preclude a member from attending, speaking and voting at the Meeting or any adjournment thereof in person. If a proxy is appointed and the member attends the Meeting in person, the proxy appointment will automatically be terminated.
3. A member may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. A member may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, please sign and date the form of proxy and attach a schedule listing the names and addresses (in block letters) of all of your proxies, the number of shares in respect of which each proxy is appointed (which, in aggregate, should not exceed the number of shares held by you) and indicating how you wish each proxy to vote or abstain from voting. If you wish to appoint the Chairman as one of your multiple proxies, simply write "the Chairman of the Meeting".
4. A form of proxy is enclosed and details of how to appoint and direct a proxy to vote on each resolution are set out in the notes to the form of proxy. To be valid the form of proxy must be completed and signed, and lodged with the Company at 245 Hammersmith Road, London W6 8PW, marked for the attention of the Company Secretary, no later than 17:00 (UK time) on 24 June 2022 and in the event of adjournment not less than 48 hours (excluding non-working days) before the time fixed for the Meeting together with, if appropriate, the power of attorney or other authority (if any) under which it is signed or a notarially certified or office copy of such power or authority. In the case of a member which is a Company, the proxy form must be executed under its common seal or signed on its behalf by an officer of the Company or an attorney for the Company. You can only appoint a proxy using the procedures set out in these notes and the notes to the form of proxy.
5. In the case of joint holders, the signature of only one of the joint holders is required on the form of proxy. In the event that more than one of the joint holders purports to appoint a proxy, the appointment submitted by the first named holder on the Register of Members of the Company will be accepted to the exclusion of the other joint holder.
6. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that, if it is appointing more than one corporate representative, it does not do so in relation to the same shares. It is therefore no longer necessary to nominate a designated corporate representative.
7. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) of the Meeting by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service

provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID: BO011) no later than 48 hours (excluding non-working days) before the Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

8. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution, and if no voting indication is given, a proxy may vote or abstain from voting at his/her discretion. A proxy may vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Meeting.
9. In order to revoke a proxy instruction a member will need to send a signed hard copy notice clearly stating your intention to revoke a proxy appointment to the Company at 245 Hammersmith Road, London W6 8PW, marked for the attention of the Company Secretary, together with, if appropriate, the power of attorney or other authority (if any) under which it is signed or a notarially certified or office copy of such power or authority. In the case of a member, which is a company, the notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.
10. If shareholder or an ADR holder wishes to listen to the webcast of the AGM, please email your name (and name of the shareholder or ADR holder you represent, if applicable), address and email ID to shares@achillestx.com with '2022 AGM Webcast' in the title line. The Company will email the access details directly to the shareholder or ADR holder to access the webcast. The email must be received by the Company by no later than 17:00 (UK Time) (12:00 Eastern time) on 21 June 2022 in order for the shareholder or ADR holder to be entitled to access the webcast. Please note that ADR holders will not be able to vote as part of the AGM webcast and, as a result, you are strongly encouraged to submit a proxy form to ensure that you are able to participate in the business of the meeting.

11. Except as provided above, members who have general queries about the AGM should write to the Company Secretary, Daniel Hood, at the address of our registered office or by email: shares@achillestx.com. You may not use any electronic address provided either in this notice of AGM or any related documents (including the annual report and accounts and proxy form) to communicate with the Company for any purposes other than those expressly stated.
